

IARU International Scientific Congress ?Climate Change: Global Risks, Challenges and Decisions?, Mar 10-12, 2009, Copenhagen

Post-event updates:

18 June 2009 - Launch of *Synthesis Report*

A report synthesizing the newest research results relating to climate change and what action can be taken in response to climate change was presented on 18 June 2009 at the European Policy Centre (EPC) in Brussels.

The 36 page report is written for non-specialists and is based on discussions and presentations made at the scientific congress ?Climate change: Global Risks, Challenges & Decisions? held in Copenhagen in March.
